Facilitators

- ○ Finalizing implementation of AIP-251 (Onboarding Guide)
- ○ Working with Admin team to update/fix Paraspace/Parallel voting strategy
- ○ Communicating the adjustment from 14 to 13 day voting periods made by the Foundation due to linked votes requiring previous results to be completed (ex. two election periods)
- ○ Working on Discord role onboarding for new Stewards
- ○ ApeChain RFP process is in the Community Feedback stage until 1/31 with live voting scheduled to begin on 2/1

Secretary

- ○ Latest weekly newsletter published here: https://vulkan.beehiiv.com/p/bulletin-bored-apechain-community-feedback-period
- ○ Added French and German versions to the newsletter for multi-lingual support
- ○ Assisting with meeting coordination, scheduling and note-taking (Working Group calls, Global Community Council, inter-team calls)
- ○ Assisted with Community Governance Improvement Program coordination
- ○ Building out project management platform and setting up integrated tools for productivity
- ○ Building out and streamlining internal communication platform and procedures
- ○ Released latest Transparency Tuesday post here
- ○ Continued updates to DAO schedule, calendar, and Discord events
